## EDUCATION

### B.E. in Electronics and Telecommunication Engineering

Thakur College of Engineering and Technology

05/2017 - Present

MUMBAI, INDIA

GRADE

- 8.7/10

## INTERSHIPS

### Data Science Intern

Silver Neuron Consulting Services Pvt. Ltd

07/2020 - 09/2020

Work from home

Achievements/Tasks

- Applied different Machine Learning models for generating inferences from the company data on attrition.
- Got an opportunity to lead the team of interns for one half of the internship.

### Data Science Intern

Iha Consulting Services Pvt. Ltd

06/2020 - 12/2020

Work from home

Achievements/Tasks

- Applied different Machine Learning Models to give recommendations to the operations team on the basis of the broadband outage data.

### Technical Associate Intern

Science Kidz Educare Pvt. Ltd

05/2020 - 07/2020

Work from home

Training institute of programming languages, Electronics

Achievements/Tasks

- Research, Training and Development of educational content.
- Worked on Autodesk TinkerCad and MIT App Inventer.
- Conducted classes as a trainer to teach app development for children.

### Product Development Intern

Thakur College of Engineering and Technology

07/2019 - 08/2019

MUMBAI, INDIA

Achievements/Tasks

- Demonstrated a technical project-Self driving car model based on Raspberry Pi as a master component and Arduino Uno as the slave component.
- Used Open CV to implement object detection.
- Achieved 4th rank at project competition held at Tata Institute of Fundamental Research (GMRT), Khodad for the same.

## SKILLS

PYTHON

MACHINE LEARNING

TABLEAU

DEEP LEARNING

SQL

RASPBERRY PI

OPEN CV

## PROJECTS

University Prediction for Admission Applications  
(10/2020 - 03/2021)

- Full end to end Machine Learning project.
- Achieved a position in top 10 projects of our college department.

Automatic Street Light Sensing (06/2018 - 07/2018)

- Achieved 3rd rank at departmental project exhibition-Second year

Branding and marketing live project for Alkymia, France  
(03/2020 - 03/2020)

- Analyzed user feedback about the user interface of Popshot App.
- Publicized Popshot App.

## CERTIFICATES

Data Scientist's Toolbox (06/2020 - 06/2020)

Coursera course by The John Hopkins University

NPTEL-Machine Learning for engineering and science applications (08/2019 - 10/2019)

By IIT Madras

Certificate for Completion of Python 3.4.3 Training  
(07/2019 - 08/2019)

training by spoken tutorials project by IIT Bombay

College Model United Nations-2017,2019

Verbal mention(2019)

## HOBBIES

PRACTICING VIOLIN- CLEARED GRADE 1 (TRINITY COLLEGE LONDON)

TABLE TENNIS
