Mumbai, India 📍

EDUCATION

B.E. in Electronics and Telecommunication Engineering

Thakur College of Engineering and Technology

05/2017 - Present

MUMBAI, INDIA

GRADE

- Achieved (8.63/10)-till semester 7

10th Standard

ST. Joseph's School

06/2014 - 05/2015

MUMBAI, INDIA

Grade

- 89.6 %

INTERSHIPS

Data Science Intern

Silver Neuron Consulting Services Pvt. Ltd

07/2020 - 09/2020

Work from home

Achievements/Tasks

- Generating inferences from the company data on attrition
- Applied EDA and ML Models

Data Science Intern

Iha Consulting Services Pvt. Ltd

06/2020 - 12/2020

Work from home

Achievements/Tasks

- Recommendations to the operations team on the basis of the broadband outage data
- Applied EDA and ML Models

Technical Associate Intern

Science Kidz Educare Pvt. Ltd

05/2020 - 07/2020

Work from home

Training institute of programming languages, Electronics

Achievements/Tasks

- Research, Training and Development of educational content.
- Worked on Autodesk TinkerCad and MIT App Inventer

Product Development Intern

Thakur College of Engineering and Technology

07/2019 - 08/2019

MUMBAI, INDIA

Achievements/Tasks

- Demonstrated a technical project-Self driving car model
- Achieved 4 rank at project competition held at TIFR GMRT, Khodad.

SKILLS

PYTHON PROGRAMMING

MACHINE LEARNING

DATA ANALYTICS

DEEP LEARNING

PROJECTS

University Prediction for Admission Applications
(10/2020 - 03/2021)

- Full end to end ML project
- Achieved a position in top 10 projects in our department of college

Automatic Street Light Sensing (06/2018 - 07/2018)

- Achieved 3 rank at departmental project exhibition-Second year

Branding and marketing live project for Alkymia, France
(03/2020 - 03/2020)
